## BEST PRACTICE: 1

### TITLE OF THE BEST PRACTICE 1: JRC PATHSHALA

#### Introduction:

JRC Pathshala is a distinctive initiative by some of our alumni members and teachers of Jamini Roy College which focuses on preparing under privileged students (who could not afford high paid coaching classes) for competitive exams particularly, for Defence Examination. It started its noble journey in the year 2021 aiming at developing a centre for the economically disadvantaged students and introduce them to different career opportunities and guidance at free of cost. Even, students who come from far-away places to attend the classes (beyond the college hours) they are often provided with some modest refreshments through personal arrangements.

The classes are conducted beyond the designated hours of college routine. The Pathshala maintains the standard of quality coaching and updates their means and methods according to the syllabus. It tries to evaluate the performance of students by conducting internal tests and provides them proper training for different schemes (like AGNIVEER, Indian Army, Indian Navy, Indian Airforce, Police Service, etc.) available under Defence examination. The Pathshala strives to make the students get prepared in two ways:

**For Written Examination:** It offers a series of classes which gives training in General Knowledge, English, Mathematics, English, Logical Reasoning etc. to equip the students with necessary skills for appearing in both online and offline version of the examination or to deal effectively with any format available for the examination. Some alumni members and teachers

Date \_\_\_\_\_

involved in these classes are Bapan Mandal, Souvik Banerjee, Mrittika Das, Mitra Sannigrahi, Nibedita Adhikari, Somnath Mukhopadhyay, Saroj Mandal, Milan Sen, Ramkrishna Mukherjee et al.

**For Physical Fitness Examination:** this Pathshala also gives special attention to the physical fitness test of the students required for the Defence examination for measuring physical strengths, abilities and cardio-respiratory fitness. Students are often taken to the outstation places for swimming and running practices for their better performance in physical fitness and training. One of our alumni members named Haradhan Karmakar who is a proficient NCC and NSS Cadet (former) and a college staff prepares our students for physical fitness test.

**Objective of the Pathshala:** The objective of this Pathshala is to provide coaching of good quality for economically disadvantaged candidates, any interested students of our college in general and anyone from our adopted village to enable them appear in competitive examinations for obtaining appropriate jobs in Defence Sectors. Our Pathshala specially targets the college students as the age for joining the Indian Defence Forces is 17.5 years to 21 years. Therefore, the college-enrolled students who are interested in taking up the course must prepare during their college years. Classes for Pathshala are conducted beyond the college hours within college premises. This Pathshala is not only a mere teaching programme but a mentoring programme which leads to holistic development of individual personality.

**Evidence of Success:** This initiative of conducting coaching classes under JRC Pathshala has been successful over the years. The proof that this is successful and effective system may be determined by the number of students who have managed to get selected over the years. The details of successful students who opted for the aforementioned training are as follows:
